

DATE: January 12, 2021
SUBJECT: Letter of Clarification 5
RE: Request for Competitive Sealed Proposals for Construction Contract for Lynn Wyatt Square Project
TO: All Prospective Proposers

Houston First Corporation (“HFC”) issues this Letter of Clarification 5 regarding the referenced Request for Competitive Sealed Proposals for Construction Contract for Lynn Wyatt Square Project to answer a material and substantive question received in the manner set forth below:

QUESTION

Question: Will HFC please provide a specification for the lightweight roofing material so we can obtain pricing?

Answer: The lightweight concrete in the roof assembly is the same as is used elsewhere on the site and is specified under section 03 3000 – Cast-in-Place Concrete. The lightweight aggregate is covered on page 5 under heading 2.2-C of that section.

Letters of Clarification become part of the solicitation and automatically supersede any previous specifications or provisions in conflict therewith. By submitting their Proposal, Proposers shall be deemed to have reviewed all Letters of Clarification on the website and incorporated them into their submittal. Verbal responses will not otherwise alter the specifications, terms and conditions as stated herein. It is the responsibility of Proposers to monitor at www.houstonfirst.com/do-business and ensure they review any such Letters of Clarification and incorporate them in their Proposal.
