SUBJECT: Selection Update

RE: Jones Plaza Re-Design Project RFQ

TO: All Respondents

Respondents to the referenced Jones Plaza Re-Design Project RFQ are advised that the selection process is ongoing, having been delayed due to damage in the Houston Theater District caused by Hurricane Harvey and, by extension, the availability of selection-committee members.

Houston First Corporation expects to have provided additional information to short-listed, if not all, firms who submitted their SOQ by November 30, 2017.

When available, an award notice will be posted at <https://www.houstonfirst.com/do-business/>.
