

DATE: November 8, 2017

SUBJECT: Letter of Clarification 2

RE: Recovery Architectural Services RFQ

TO: All Prospective Respondents

Houston First Corporation (“HFC”) issues this Letter of Clarification to provide all prospective respondents with additional information pertaining to subjects of expressed interest during the Pre-Submittal Conference on November 7, 2017.

Respondents are advised that the estimated cost of the Project included in the RFQ (i.e., 45-50 million dollars) was an estimate based on the best information available to HFC as of the Issue Date of the RFQ. The estimate is likely to materially increase due to unforeseen circumstances.

Although emphasis has been placed in the RFQ on the initial eight months of services required to advance the Project, Respondents should note that a five-year term is included in the Recovery Architectural Services Agreement.

Letters of Clarification become a part of the RFQ automatically upon issuance, and supersede any previous specifications and/or provisions in conflict therewith. By submitting their SOQ, respondents shall be deemed to have received all Letters of Clarification and to have incorporated them into their SOQ.
