1. **Public Comments.** None.

2. **Consideration and possible recommendation of sponsorship agreement with RCM Entertainment, L.P., d/b/a Lone Star Sports & Entertainment.** Michael Heckman explained the benefits of the Advocare Texas Kickoff and Advocare V100 Texas Bowl sponsorship, which provides an economic impact of approximately $90+ million and 40,000-60,000 room nights. The games are played on Labor Day Weekend and in between Christmas and New Year’s Day, therefore filling important need periods. Sponsorship of these games gives Houston prominent positioning, national marketing exposure and significant hospitality assets. Following discussion on this item, a motion was made and duly seconded to recommend a two-year sponsorship contract in the amounts of $325,000 in 2017 and $275,000 in 2018.

3. **Review and Approval of Minutes.** A motion was made and duly seconded to approve the minutes from the November 10, 2016 meeting as presented. Paul Puente was not in attendance at the time of the vote.

4. **Updates.**
   a. January Dashboard – Brenda Bazan covered some of the salient points from the dashboard for the period ending January 31, 2017. Ms. Bazan reported that 1st Quarter 2017 Hotel Occupancy Tax (“HOT”) collections were less than budgeted. Next, she stated that the decrease in Hilton metrics was not economy related, but rather resulted from the cancellation by a large convention. However, Hilton’s event contract required cancellation fees that largely offset the rooms and food & beverage revenue loss. Ms. Bazan then stated that the decreases in GRB facility rental and GRB food and beverage revenue were primarily timing differences that should turn around in the next couple of months. She reminded the Committee that the new janitorial contract may require an increase to the budget and that, if necessary, the budget increase would be added to appropriate committee and board agendas for consideration and approval with the
recommendation for the new janitorial contract. Ms. Bazan summarized her report by advising the committee that management continues all revenues and expenses closely. Frank Wilson then advised the Committee that he had been tasked with evaluating the possibility of providing economic updates. As such, he was looking at a variety of factors such as statistics and trends, HOT, unemployment rate, business cycle index, purchasing managers index and oilfield employment, but it was still a work in process. He stated he would provide an update at the April Governance, Audit & Finance Committee meeting.

b. Trust Funds – Rob Jackson updated the Committee on the state requirements for participation in State Event Trust Funds.

c. 2016 Diversity Participation – Roger Harris provided highlights of the 2016 annual diversity report. He also advised the Committee of a successful Opportunity Day held on February 14 that hosted approximately 100 subcontractors representing both food and beverage and janitorial contractors as well as thirteen prime contractors. Houston Community College partnered with Houston First on this event and the feedback from attendees was very positive. Further, he stated that Houston First is currently at 36% diversity participation on service contracts. He committed to provide actual diversity participation for years 2012 through 2017 at the next meeting.

e. CFO Report – Brenda Bazan reported that RFP’s for external audit and banking services will be forthcoming during late summer/early fall timeframe. Further, she stated that McConnell Jones will be starting a review of the Convention District Project contract beginning the week of February 27th.

f. Legislative Items – Rob Jackson provided a brief update on the status of legislative bills relevant to our industry, such as SB 6, Airbnb, online travel agencies, film incentives and handguns.
