Independent Auditor's Report

Board of Directors of
Houston First Corporation
Houston, Texas

Report on the Financial Statements

We have audited the accompanying financial statements of Houston First Corporation (the Corporation), which comprise the Statements of Net Position as of December 31, 2019, and the related Statements of Revenues, Expenses and Changes in Net Position and Cash Flows for the year then ended; and the related notes to the financial statements, which collectively comprise the Corporation's basic financial statements, as listed on the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Corporation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Houston First Corporation as of December 31, 2019 and the changes in its financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters*2018 Financial Statements*

The financial statements of the Corporation as of and for the year ended December 31, 2018, were audited by other auditors whose report, dated July 9, 2019, expressed an unmodified opinion on those statements.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management's Discussion and Analysis (Unaudited)

The following discussion of Houston First Corporation (the Corporation or HFC) should be read in conjunction with the financial statements and notes thereto appearing elsewhere in this report. Historical results and trends that might appear should not be taken as indicative of future operations. The results of operations and financial condition of the Corporation, as reflected in the accompanying financial statements and related notes, are subject to management's evaluation and interpretation of business conditions, changing capital market conditions, and other factors that could affect the ongoing viability of the Corporation.

The Houston Convention Center Hotel Corporation (Hotel Corporation) was formed on behalf of the City of Houston, Texas (the City), in February 2000 pursuant to Chapter 431, Subchapter D, of the Texas Transportation Code, and Chapter 394 of the Texas Local Government Code. It was organized for the specific purpose of constructing, improving, enlarging, equipping, repairing, operating, and maintaining a convention center hotel (the Hotel) located near and connected to the George R. Brown Convention Center (the Convention Center). In this regard, the Hotel Corporation was responsible for overseeing the construction and development of the Hotel; a 1,600-space parking garage (the Parking Garage); and three skywalks connecting the Hotel, the Parking Garage, and the Convention Center (the Project). Construction was completed and the Project opened for business in December 2003 as the Hilton Americas–Houston (the Hilton). As of December 31, 2019, and 2018, Hilton Management LLC managed the Hotel through a qualified management contract (the Management Agreement).

On June 1, 2011, the Houston City Council (the City Council) approved the consolidation of the City's Convention & Entertainment Facilities Department (the Department) into the Hotel Corporation (the Consolidation), effective July 1, 2011, in order to improve the coordination of the City's convention and entertainment services by bringing various entities responsible for generating and spending City hotel occupancy tax (HOT) revenues under one governing body. In connection with the Consolidation, the Hotel Corporation reconstituted and renamed itself as the "Houston First Corporation," which assumed the primary roles and responsibilities of the Department. To accomplish this, the Hotel Corporation amended its bylaws and articles of incorporation to broaden its authority to accomplish its expanded duties and responsibilities. The Corporation has the authority to exercise all rights and privileges of a Texas nonprofit corporation and, as a governmental unit within the meaning of Chapter 101 of the Texas Civil Practice Remedies Code, its operations are governmental and not proprietary functions. The Corporation is governed by the board of directors appointed and approved by the Mayor and the City Council.

The City has entered into a lease agreement and an interlocal agreement (the Consolidation Interlocal Agreement) with the Corporation, whereby the Corporation (a) leases all previously existing Department facilities and Department-managed facilities; (b) operates, manages, maintains, develops, and redevelops those existing facilities; (c) has been assigned and now administers all of the Department's obligations and responsibilities, as well as its revenue budgeted as part of the Department's budget, including, but not limited to, municipal HOT receipts, license fees, and concession revenues; and (d) as the City's agent, collects, administers, and audits HOT funds in accordance with terms of City ordinances. The Corporation also agreed to pay the City a one-time fee of \$8,620,000 during the City's fiscal year ended June 30, 2012 from operating revenues of the Hotel. The Consolidation Interlocal Agreement's initial term expires on December 31, 2026, but will be extended automatically until June 30, 2041, unless canceled by either party on or before June 30, 2026.

On March 4, 2013, the Corporation formed Houston First Holdings, LLC, a wholly owned subsidiary of the Corporation, as a "special-purpose" entity for the purpose of owning, holding, selling, leasing, transferring, exchanging, operating, managing, and otherwise dealing with the Hilton and its parking garage.

Houston First Corporation
(A Component Unit of the City of Houston, Texas)

Management's Discussion and Analysis (Unaudited)

On June 18, 2014, the Corporation entered into a services agreement with the Greater Houston Convention and Visitors Bureau (the Bureau or GHCVB), which engaged the Corporation to provide marketing, advertising and promotional programs on behalf of the Bureau at a minimum of the same levels previously funded by the Corporation to the Bureau. The Bureau's employees have been added to the Corporation's existing personnel services contract effective July 1, 2014. The services agreement required the Corporation to amend its Certificate of Formation to increase the number of authorized board members from 11 to 13 to include 2 Bureau board members. The expenses incurred as a result of the services agreement are included in operating expenses as Visit Houston expenses.

On May 22, 2018, the City and the Corporation entered into the First Amendment to the lease agreement between the parties to amend and restate certain provisions pertaining to insurance, damage from casualty and City Council approvals, allocations and appropriations.

Financial Highlights

For the years ended December 31, 2019 and 2018, the combination of interest earned from investments and net revenues from the operations of the Hilton were sufficient to fund expenses of the Hilton, pay the monthly debt service expense of the Hilton, and fund the remaining obligations between the Hilton and the City.

Overview of the Financial Statements

The Statements of Net Position present information on all of the Corporation's assets, deferred outflows and inflows of resources and liabilities, with the difference reported as net position. Comparisons in net position may serve as a useful indicator of whether the financial position of the Corporation is improving or deteriorating. The Statements of Net Position can be found on page 11-12 of this report.

The Statements of Revenues, Expenses, and Changes in Net Position report the Corporation's revenues, expenses, and resulting change in net position during the period reported, regardless of when cash is received or paid. Therefore, revenues and expenses are reported in the Statements of Revenues, Expenses, and Changes in Net Position for some items that will affect cash flow in future fiscal years. The Statements of Revenues, Expenses, and Changes in Net Position can be found on page 13 of this report.

The Statements of Cash Flows report how much cash was provided by, or used for, the Corporation's operations, financing and investing activities, and acquisition or retirement of capital assets. The Statements of Cash Flows can be found on pages 14-15 of this report.

The notes to the financial statements provide additional information that is essential for a complete understanding of the data in the financial statements described above. The notes to the financial statements can be found on pages 15-30 of this report.

Net position: The Corporation's net position increased \$79,027,354 to \$162,680,811 at December 31, 2019 from \$83,653,457 at December 31, 2018, representing a 94.47% increase. Of this increase, \$99,491,817 is attributable to an increase in assets offset by an increase in liabilities of \$20,701,282, as described below.

Houston First Corporation
(A Component Unit of the City of Houston, Texas)

Management's Discussion and Analysis (Unaudited)

The Corporation's Net Position increased \$10,575,265 to \$83,653,457 at December 31, 2018 from \$73,078,192 at December 31, 2017, a 14.47% increase. Of this increase, \$15,602,244 is attributable to an increase in assets offset by an increase in liabilities of \$4,742,849, as described below.

CONDENSED STATEMENT OF NET POSITION INFORMATION
DECEMBER 31, 2019, 2018 AND 2017

	December 31, 2019	December 31, 2018	December 31, 2017
Current assets	\$ 141,874,193	\$ 89,821,532	\$ 115,135,428
Noncurrent assets	96,009,189	92,420,951	90,238,084
Capital assets	483,451,673	439,927,783	401,194,510
Total assets	\$ 721,335,055	\$ 622,170,266	\$ 606,568,022
Deferred outflow of resources	\$ 4,408,659	\$ 4,171,840	\$ 4,455,970
Current liabilities	\$ 124,848,281	\$ 89,711,827	\$ 97,554,150
Long-term liabilities	438,214,622	452,976,822	440,391,650
Total liabilities	\$ 563,062,903	\$ 542,688,649	\$ 537,945,800
Net investment in capital assets	\$ 140,129,459	\$ 107,994,717	\$ 80,544,811
Restricted for debt service	3,943,537	366,708	167,081
Restricted—other (Note 2)	217,627	715,898	4,675,000
Unrestricted (deficit)	18,390,188	(25,423,866)	(12,308,700)
Net position	\$ 162,680,811	\$ 83,653,457	\$ 73,078,192

Total assets increased \$99,164,789 to \$721,335,055 at December 31, 2019, from \$622,170,266 at December 31, 2018. This increase was primarily the result of an increase in cash and cash equivalents, and short-term equity in pooled investments in current assets, and an increase in property, plant, and equipment – net in noncurrent assets.

Total assets increased \$15,602,244 to \$622,170,266 at December 31, 2018, from \$606,568,022 at December 31, 2017. This increase was primarily the result of an increase in capital assets offset by a decrease in cash and cash equivalents from the permanent work phase of the Harvey recovery efforts.

Total liabilities increased \$20,374,254 to \$563,062,903 in 2019, from \$542,688,649 in 2018. The change was attributable to an increase in current liabilities offset by a net decrease in long-term debt. See the “Debt Payment and Issuance” section below for the details of the changes in each of the bonds that comprise the notes payable to the City.

Total liabilities increased \$4,742,849 to \$542,688,649 in 2018, from \$537,945,800 in 2017. The change was caused by drawing down the remaining balance of the Subordinate Lien HOT and Parking Revenue Flexible Rate Notes, offset by principal payments to the City for the HFC allocated bonds, and the decrease in accounts payable and accrued liabilities. See the “Debt Issuance” section below for the details of the changes in each of the bonds that comprise the notes payable to the City.

Houston First Corporation
(A Component Unit of the City of Houston, Texas)

Management's Discussion and Analysis (Unaudited)

Property, Plant and Equipment

Property, plant, and equipment—net increased by \$43,523,890 to \$483,451,673 in 2019 from \$439,927,783 in 2018. This increase was caused by acquisitions of \$61,235,564, offset by depreciation expense of \$17,715,532. Acquisitions were the result of continuing work on Hurricane Harvey reconstruction and the Hilton room refresh project.

Property, plant, and equipment—net increased by \$38,733,273 to \$439,927,783 in 2018 from \$401,194,510 in 2017. This increase was caused by acquisitions of \$55,610,387, offset by depreciation expense of \$16,877,114. Acquisitions were the result of reconstruction work from damages caused by flooding from Hurricane Harvey.

Debt Payment and Issuance

On April 9, 2019, the City issued \$106,320,000 of Convention & Entertainment Facilities Department HOT and Special Revenue and Refunding Bonds, Series 2019. This issue has a stated interest rates of 4% and 5% maturing in 2036. Proceeds were used to (a) refund the City's outstanding Convention & Entertainment Facilities Department HOT and Special Revenue Refunding Bonds, Series 2001 C-1 and 2001 C-2, (b) finance certain project costs, and (c) pay the costs of issuance of the bonds. Net present value savings totaled \$5.6 million, or 7.98% of the \$70,150,000 in refunded bonds.

On May 2, 2019, the City closed on a \$50 million Subordinate Lien Hotel Occupancy Tax and Parking Revenue Flexible Rate Notes, Series B. As of December 31, 2019 there were no draws on this note and the entire amount is available. Interest is variable at the greater of JPMorgan prime or the adjusted one month LIBOR rate plus a spread based upon the rating of the existing senior lien Hotel Occupancy Tax and Parking Revenue Bonds. The commitment fee is equal to 0.1% and the notes terminate on May 2, 2026.

On May 3, 2019, the City loaned the Corporation \$12,500,000, which was used to finance project costs related to Hurricane Harvey. The notes bear interest at the rate equal to a) the rate of the City's commercial paper program or other debt instrument issued by the City, or b) the rate equal to the interest earned on pool cash depending on how the City funds the notes. The interest rate on the note was 2.134% on December 31, 2019 and the note matures on September 1, 2030.

On December 12, 2019 the City loaned the Corporation an additional \$8,900,000, to finance project costs related to Hurricane Harvey. Interest will accrue based on the rate received on the City's commercial paper series E line, which was 1.3% at December 31, 2019. The note matures on March 1, 2024.

The Corporation made required principal payments totaling \$10,920,000 and \$9,565,000 in 2019 and 2018, respectively. In addition, in 2019 the Corporation made additional principal payments totaling \$43,000,000 on the 2017 Subordinate Lien Flexible Rate Notes, Series A using the reimbursements from the City of the FEMA claims and insurance proceeds. The total notes payable balance includes the Corporation's allocable portion of the unamortized bond premiums, net of discounts, which totaled \$29,693,354 and \$15,110,892 at December 31, 2019 and 2018, respectively.

The Corporation funds 1/12th of the annual debt service payment each month so that, on September 1 of each year, the full amount will be available for payment. These funds, along with the required reserve funds are held by the City. Funds held by the City, listed as equity in pooled investments—restricted, are invested in the City's general investment pool. The amount of the investments held by the City was \$22,946,278 and \$18,645,229 at December 31, 2019 and 2018, respectively.

Management's Discussion and Analysis (Unaudited)

Operating Revenues

Total operating revenues for 2019 and 2018 were \$134,525,238 and \$136,788,726, respectively, which represents a 1.65% decrease of \$2,263,488. The majority of the decrease in operating revenues for 2019 was attributable to a decrease in hotel revenue offset by an increase in venue revenue. The decrease in hotel revenues occurred as a result of rooms being taken out of service during the room refresh capital project. The increase in venue revenue is a result of higher food & beverage revenues combined with an increase in retail leasing income.

Total operating revenues for 2018 were \$136,788,726, which represents a 12.69% increase of \$15,404,902. The majority of the increase in operating revenues for 2018 was attributable to an increase in hotel revenue caused by an increase in occupancy and revenue per available room, combined with an increase in parking revenue. The parking revenue increase was due to the realization of the convention district parking garages full operation and a full convention and show season.

Operating Expenses

Total operating expenses decreased \$5,974,284 to \$168,994,257 in 2019, from \$174,968,541 in 2018. The decrease was primarily due to disaster expenses from Hurricane Harvey and general and administrative costs off set by increases in hotel expenses.

Total operating expenses decreased \$48,357,933 to \$174,968,541 in 2018, from \$223,326,474 in 2017. The decrease is primarily due to the disaster expenses from Hurricane Harvey, offset by an increase in general and administrative expenses and hotel expenses.

Hotel

Hotel expenses increased \$3,040,841 to \$41,264,764 in 2019 from \$38,223,923. This increase was caused by non-capitalizable expenses associated with the room refresh capital project.

Hotel expenses increased \$3,486,845 to \$38,223,923 in 2018 from \$34,737,078. This increase correlates with an increase in room and food and beverage revenue.

General and Administrative

General and administrative expenses decreased \$6,013,192 to \$40,320,876 in 2019 from \$46,334,068 in 2018. In 2018, there was a one-time payment to early terminate a long-term lease of office space. In addition, there was a decrease in personnel costs.

General and administrative expenses increased \$3,788,229 to \$46,334,068 in 2018 from \$42,545,839 in 2017. The majority of the increase from 2017 to 2018 was caused by a one-time payment to early terminate a long-term lease of office space. In addition, the Hilton realized a Work Opportunity Tax credit for payroll taxes in 2017.

Hurricane Harvey Costs

The properties damaged as a result of Hurricane Harvey are the Theater District Garages, Wortham Theater Center, and Jones Hall. The Jones Hall and Theater District Garages were temporarily closed, but reopened in October and November 2017, respectively. Wortham Theater was reopened in September 2018. The majority of these costs may be reimbursed by the City based on approval of claims and obligation of such funds by FEMA.

Houston First Corporation
(A Component Unit of the City of Houston, Texas)

Management's Discussion and Analysis (Unaudited)

Hurricane Harvey costs decreased in 2019 by \$7,191,115 to \$294,706, and in 2018 by \$52,803,347 to \$7,485,821, compared with \$60,289,168 in 2017. The costs incurred in 2017 were for non-capitalizable recovery expenses, as compared to 2018 and 2019 which primarily were costs related to permanent work.

The Corporation's operating loss, which includes the noncash charge of depreciation, totaled \$34,469,019, \$38,179,815, and \$101,942,650, in 2019, 2018, and 2017, respectively.

Nonoperating Revenues (Expenses)

Transfers from Primary Government

In the Consolidation Interlocal Agreement, the City assigned to the Corporation the net available pledged revenues to fund operating expenses, capital expenditures, and for any other lawful purpose. The transfers represent the HOT and pledged parking revenues remaining after debt service and other debt-related expenses, and the transfer of other remaining Department fund balances.

In 2019 the transfers from Primary Government increased \$65,247,376 to \$154,617,775. This increase was due to reimbursement from the City for the claims filed with FEMA and from insurance proceeds which totaled \$82,456,557.

For 2018, the amount transferred from the Department was \$89,370,399, an increase of \$22,237,877 from 2017. Included in the 2018 transfer was \$14,427,915 for the Corporation's portion of insurance proceeds from Harvey and other claims.

Sponsorship Expense

Sponsorship expense decreased \$1,568,775 in 2019 to \$5,789,215 from \$7,357,990 in 2018. The decrease was caused by one-time major event bid costs incurred in 2018 and the discontinuation of the tourism incentive program.

Sponsorship expense decreased \$9,327,963 in 2018 to \$7,357,990 in 2018 from \$16,685,953 in 2017. The decrease in 2018 was primarily due to the Corporation's support for the Super Bowl event in 2017.

Transfers to Primary Government

In the Consolidation Interlocal Agreement, the Corporation agreed to make certain payments to the City for obligations previously paid directly by the Department. At December 31, 2019, 2018, and 2017, these payments totaled \$18,328,517, \$18,546,544, and \$17,584,302 respectively. As the largest of these payments is based on HOT revenues, the decrease of \$218,027 in 2019, and the increase of \$962,242 in 2018 were directly related to the corresponding change in HOT revenues for those respective years.

Interest Expense

Interest expense increased \$3,317,846 in 2019 to \$19,126,549 in 2019, from \$15,808,703 in 2018. The increase was primarily due to the increase in notes payable and the cost of issuance from new debt offerings in 2019.

Interest expense increased \$6,771,735 in 2018 to \$15,808,703, from \$9,036,968 in 2017. The increase was primarily due to the Corporation's implementation of Governmental Accounting Standards Board (GASB) Statement No. 89, *Accounting for Interest Cost Incurred Before the End of a Construction Period*, which eliminated the capitalization of interest. Interest expense related to debt issued in November 2017 is recognized for the whole year of 2018 compared to 1.5 months in 2017 which contributes to the increase.

Houston First Corporation
(A Component Unit of the City of Houston, Texas)

Management's Discussion and Analysis (Unaudited)

Economic Factors and Next Year's Budget

On January 31, 2020, the Secretary of the United States Health and Human Services Department declared a public health emergency for the United States and on March 13, 2020, the President of the United States declared the outbreak of COVID-19 in the United States a national emergency. As a result of the pandemic and the various restrictions and guidelines related to controlling its spread, numerous event organizers and arts groups have cancelled or postponed revenue-producing events and productions in Corporation-managed facilities for practically all of 2020. This has a material impact on the revenues available to pay debt service and operate the Corporation's managed facilities.

In response to the projected reduction in most sources of revenue, and the significantly reduced use of the managed facilities, the Corporation's Board of Directors adopted an emergency budget for the remainder of calendar year 2020. The reduced expenditure budget recognizes a period of limited activity in all facilities managed by the Corporation and reduces virtually all allowed expenditures except for debt service. Personnel contract service expense reductions have been implemented and include both layoffs (48 individuals) and furloughs (34 individuals), as well as salary reductions of remaining contractor personnel.

The City, as the parent organization of HFC, has offered financial assistance in the amount of \$48 million to allow continued operation until conditions in the travel and hospitality sectors improve.

The calendar year 2021 budget is being drafted for board consideration in November 2020 and will include flexibility to anticipate rapid changes in revenues and expenses designed to allow the Corporation to anticipate a slow return to pre-pandemic levels.

The measures noted above, combined with existing reserves will ensure the Corporation has adequate funds to service debt, and maintain the facilities for 2020 and 2021.

Houston First Corporation
(A Component Unit of the City of Houston, Texas)

Note to Financial Statements

Note 1. ORGANIZATION

Houston First Corporation (the Corporation or HFC) [formerly, Houston Convention Center Hotel Corporation (the Hotel Corporation)], a component unit of the City of Houston, Texas (the City), was formed on February 18, 2000, under the provisions of Chapter 431, Subchapter D of the Texas Transportation Corporation Act, and Chapter 394, Vernon's Texas Codes Annotated, Local Government Code. The purpose of the Hotel Corporation was to aid and act on behalf of the City in establishing, constructing, improving, enlarging, equipping, repairing, operating, or maintaining (any or all) a 1,200-room convention center hotel in downtown Houston [such hotel to be within 1,000 feet of the George R. Brown Convention Center (the Convention Center)] (the Hotel) and a parking garage (the Parking Garage) for approximately 1,600 vehicles adjacent to the Hotel. The Hotel was completed in 2003 and opened on December 4, 2003.

On June 1, 2011, City's city council (the City Council) approved the consolidation of the City's Convention & Entertainment Facilities Department (the Department) into the Hotel Corporation (the Consolidation), effective July 1, 2011, in order to improve the coordination of the City's convention and entertainment services by bringing various entities responsible for generating and spending City hotel occupancy tax (HOT) revenues under one governing body. In connection with the Consolidation, the Hotel Corporation reconstituted and renamed itself as "Houston First Corporation," and Houston First Corporation assumed the primary roles and responsibilities of the Department. To accomplish this, the Hotel Corporation amended its bylaws and articles of incorporation to broaden its authority to accomplish its expanded duties and responsibilities. The Corporation has the authority to exercise all rights and privileges of a Texas nonprofit corporation and, as a governmental unit within the meaning of Chapter 101 of the Texas Civil Practice Remedies Code, its operations are governmental and not proprietary functions. The Corporation is governed by the board of directors appointed and approved by the mayor and City Council.

The Corporation (a) leases all previously existing Department facilities and Department-managed facilities; (b) operates, manages, maintains, develops, and redevelops those existing facilities; (c) has been assigned and now administers all of the Department's obligations and responsibilities, as well as its revenue budgeted as part of the Department's budget, including, but not limited to, municipal HOT receipts, license fees, and concession revenues; and (d) as the City's agent, collects, administers, and audits HOT funds in accordance with terms of City ordinances. The Corporation currently has no employees but has entered into personnel services contracts to provide the personnel and expertise required to operate its facilities. The City has entered into an interlocal agreement with the Corporation (the Consolidation Interlocal Agreement), whereby the Corporation will pay \$1,380,000 for each agreement year to lease all existing Department facilities and Department-managed facilities; provided, that, on each adjustment date, the rent described in this clause shall be adjusted to an amount equal to the lesser of (1) 105% of the rent in effect for the agreement year immediately preceding the adjustment date and (2) the product of the rent of effect for the agreement year immediately preceding the adjustment date multiplied by the adjustment factor. The Consolidation Interlocal Agreement's initial term expires on December 31, 2026, but will be extended automatically until June 30, 2041, unless canceled by either party on or before June 30, 2026.

The Corporation is presented as a discretely presented component unit of the City (legally separate from the City). Board members are appointed by the mayor of the City and confirmed by the City Council.

Houston First Corporation
(A Component Unit of the City of Houston, Texas)

Note to Financial Statements

Note 1. ORGANIZATION (Continued)

On March 4, 2013, the Corporation formed Houston First Holdings, LLC (HFH), a wholly owned subsidiary of the Corporation, as a “special-purpose” entity for the purpose of owning, holding, selling, leasing, transferring, exchanging, operating, managing, and otherwise dealing with the property known as the Hilton Americas–Houston and its parking garage. The subsidiary is included in the financial statements of the Corporation as a blended component unit; accordingly, all intercompany accounts and transactions are eliminated.

On June 18, 2014, the Corporation entered into a Services Agreement with the Greater Houston Convention and Visitors Bureau (the Bureau), which engaged the Corporation to provide advertising and promotional programs on behalf of the Bureau at a minimum of the same levels as previously funded by the Corporation to the Bureau. The Bureau’s employees have been added to the Corporation’s existing personnel services contracts effective July 1, 2014. The Services Agreement required the Corporation to amend the Certificate of Formation to increase the number of authorized board members from 11 to 13. The expenses incurred as a result of the Services Agreement are included in operating expenses as Visit Houston expenses.

On May 22, 2018, the City and the Corporation entered into the First Amendment to the lease agreement between the parties to amendment and restate certain provisions pertaining to insurance, damage from casualty and City Council approvals, allocations, and appropriations.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting—The financial statements of the Corporation have been prepared on the accrual basis of accounting, a flow of economic resources measurement focus. Under the measurement focus, resources are recognized in the period earned, and expenses are recognized in the period incurred.

The Corporation defines operating revenues and expenses consistent with the precepts of Statement of Government Accounting Standards No. 9 paragraphs 16-19 and 31. Generally, receipts collected or due from customers for providing services are considered operating revenues. The payments or amounts due to provide these services are considered operating expenses. All other receipts and payments are considered nonoperating. The significant accounting policies are described below.

Cash and Cash Equivalents—The Corporation defines cash and cash equivalents, including restricted cash and cash equivalents, as cash and investments that are highly liquid, with less than three-month maturities when purchased. Restricted cash and cash equivalents of \$217,627 and \$715,898 as of December 31, 2019 and 2018, respectively, represents monies expected to be utilized for tenant allowance.

Accounts Receivable—Accounts receivable are stated at the historical carrying amount net of an allowance for uncollectible accounts. An allowance for uncollectible accounts receivable has been established based on historical experience and any specific customer collection issues that have been identified. Uncollectible accounts receivable is written off when a settlement is reached for an amount that is less than the outstanding historical balance or when management has determined that the balance will not be collected. The allowance for doubtful accounts totaled \$613,323 and \$1,201,028 as of December 31, 2019 and 2018, respectively.

Houston First Corporation
(A Component Unit of the City of Houston, Texas)

Note to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Prepaid Expenses—Prepaid expenses include prepaid insurance, interest, and other miscellaneous prepaid expenses. Prepaid insurance is expensed on a straight-line basis over the period of the coverage.

Other Assets—Other assets consist of the unamortized balance of prepaid rent that was paid by the Corporation to the City under the Consolidation Interlocal Agreement and the unamortized balance of rent concessions (see Note 9).

Investments—The Corporation participates in a City investment pool managed internally by City personnel. The investment funds are administered using a pooling concept, which combines the monies of various City departments for investment purposes (the City's Investment Pools). The Corporation's pro rata share of participation in the City's Investment Pools is displayed in the statements of net position as "Equity in pooled investments" held by the City in accordance with the GASB statement *Accounting Standards Codification on Accounting and Financial Reporting for Certain Investments for External Investment Pools* and are carried at fair value. The fair value adjustment is included as part of interest income. The Corporation is apportioned interest earnings from the City's investment pools based upon the Corporation's relative pro rata share of the applicable investment pool. All of the Corporation's funds in the City's investment pools are restricted for debt service.

Property, Plant, and Equipment—Property, plant, and equipment are recorded at original cost for items purchased. Capital assets are defined as assets with an initial cost of \$1,000 or more for Hotel operation and \$5,000 or more for others, and an estimated useful life in excess of one fiscal year. Ordinary maintenance and repairs are charged to expense when incurred. Expenses related to the development of real estate are carried at cost, plus capitalized carrying charges.

Management reviews its long-lived assets for impairment whenever events indicate that the carrying amount of an asset may not be recoverable. If there is an indication of impairment, management prepares an estimate of future undiscounted cash flows (without interest charges) expected to result from the use of the asset and its eventual disposition. If these cash flows are less than the carrying amount of the asset, an impairment loss is recognized to write down the asset to its estimated fair value. Preparation of estimated expected future cash flows is inherently subjective and is based on management's best estimate of assumptions concerning expected future conditions. There were no impairment charges recognized by the Corporation during the years ended December 31, 2019 and 2018.

Depreciation—Depreciation is provided on a straight-line basis over the estimated useful lives of the depreciable assets, ranging from three to 40 years.

Capitalized Interest—The Corporation previously capitalized interest expense on qualifying construction in progress expenditures based on an imputed interest rate estimating the Corporation's average cost of borrowed funds. Such capitalized interest became part of the cost of the related asset and depreciated over its estimated useful life. Beginning January 1, 2018, Management elected to implement GASB Statement No. 89, *Accounting for Interest Cost Incurred Before the End of a Construction Period*, and no longer capitalizes interest on construction projects.

Debt Issuance Costs/Notes Payable—Premiums and discounts included in notes payable are amortized as a component of interest expense over the applicable term using the effective interest method. Debt issuance costs are expensed when incurred.

Houston First Corporation
(A Component Unit of the City of Houston, Texas)

Note to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Unearned Revenue—A parcel of land was conveyed to the Corporation by the City for the construction of the Hilton Parking Garage (the Parking Garage), which is attached to the Hotel. The cost of the land was included as unearned revenue at the City's recorded acquisition value of \$3,144,362 at the date of transfer. In addition, the City made a grant to the Corporation in the amount of \$10 million, which provides the City the right to use up to one-half of the spaces available in the Parking Garage and to share in the net income of the parking proceeds in perpetuity. This right was transferred to the Corporation upon formation.

The Corporation recognizes the unearned revenue as garage revenue ratably over the estimated 39-year useful life of the Parking Garage. Amortization of unearned revenue for the years ended December 31, 2019 and 2018 totaled \$337,035, which is included in garage revenues.

Revenue Recognition—Service and other sales revenues are recognized when services are rendered or when revenue is earned, net of sales tax.

Transfers from Primary Government—As part of the Consolidation Interlocal Agreement, the City assigned to the Corporation the net available pledged revenues to pay for operating expenses, capital expenditures, and for any other lawful purpose, and they are shown as transfers from Primary Government. The amount transferred from the City was \$154,617,775 and \$89,370,399 for 2019 and 2018, respectively, and represents the HOT and parking revenues remaining after debt service; other reimbursed expenses' insurance proceeds and FEMA reimbursements.

Transfers to Primary Government—As part of the Consolidation Interlocal Agreement, the Corporation agreed to make certain transfers primarily for City obligations to the local arts previously paid directly by the Department. At December 31, 2019 and 2018, these transfers totaled \$18,328,517 and \$18,546,544, respectively.

Income Taxes—The Corporation is exempt from federal income tax under Section 115 (1) of the Internal Revenue Code of 1986.

Effective for taxable years beginning on January 1, 2007, the State of Texas enacted the Revised Texas Franchise Tax, which imposes a tax at the entity level. The Corporation is exempt from the Revised Texas Franchise Tax.

Use of Estimates in Financial Statement Preparation—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires estimates and assumptions that affect the reported financial statement amounts, as well as disclosures. The Corporation's financial statements include amounts that are based on management's best estimates and judgments. Actual results could differ from those estimates.

New Accounting Pronouncements—In June of 2017, the GASB issued Statement No. 87, *Leases*. GASB Statement No. 87 requires recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. Under this statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities. The requirements of GASB Statement No. 87 are effective for reporting periods beginning after June 15, 2021. The Corporation has not yet determined the impact of this pronouncement on its financial position, results of operations, or cash flows upon implementation.

Houston First Corporation
(A Component Unit of the City of Houston, Texas)

Note to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

In June of 2018, the GASB issued Statement No. 89, *Accounting for Interest Cost Incurred Before the End of a Construction Period*. The primary objectives of this Statement are to enhance the relevance and comparability of information about capital assets and the cost of borrowing for a reporting period and to simplify accounting for interest cost incurred before the end of a construction. The requirements of this statement are effective for reporting periods beginning after December 15, 2019. The Corporation has applied this statement early in 2018.

In May of 2019, the GASB issued Statement No. 91, *Conduit Debt Obligations*. The primary objectives of this statement are to provide a single method of reporting conduit debt obligations by issuers and eliminate diversity in practice. The requirements of this statement are effective for reporting periods beginning after December 15, 2021. The Corporation has determined there will be no effect on its financial position, results of operations, or cash flows upon adoption.

In January of 2020, the GASB issued Statement No. 92, *Omnibus 2020*. The purpose of this statement is to improve the consistency of authoritative literature by addressing practice issues that have been identified during implementation and application of certain GASB Statements, included leases, pensions and OPEB's to name a few. This statement has varying effective dates depending on topic beginning after June 15, 2021. The Corporation has determined there will be no effect on its financial position, results of operations, or cash flows upon adoption.

In March of 2020, the GASB issued Statement No. 93, *Replacement of Interbank Offered Rates*. As a result of global reference rate reform, LIBOR is expected to cease to exist in its current form at the end of 2021. The objective of this statement is to address accounting and financial reporting implications that result from the replacement of an IBOR. The removal of LIBOR as an appropriate benchmark interest rate is effective for reporting periods ending after December 31, 2021. All other requirements of this statement are effective for reporting periods beginning after June 15, 2021. The Corporation has not yet determined effect on its financial position, results of operations, or cash flows upon adoption.

In March of 2020, the GASB issued Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*. The objective of this Statement is to better meet the information needs of financial statement users by improving the comparability of financial statements among governments that enter into public-private and public-public partnership arrangements and provides guidance for availability payment arrangements. The requirements of this statement are effective for fiscal years beginning after June 15, 2022, and all reporting periods thereafter. The Corporation has not yet determined effect on its financial position, results of operations, or cash flows upon adoption.

In May of 2020, the GASB issued Statement No. 95, *Postponement of the Effective Dates of Certain Authoritative Guidance*. The primary objective of this Statement is to provide temporary relief to governments and other stakeholders in light of the COVID-19 pandemic. That objective is accomplished by postponing the effective dates of certain provisions in Statements and Implementation Guides. The requirements of this statement are effective immediately. The impact is that the Corporation is allowed to delay the implementation dates of GASB Statements that have not been adopted.

Houston First Corporation
(A Component Unit of the City of Houston, Texas)

Note to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

In May of 2020, the GASB issued Statement No. 96, *Subscription-Based Information Technology Arrangements*. The objective of this Statement is to better meet the information needs of financial statement users by (a) establishing uniform accounting and financial reporting requirements for Subscription based information technology arrangements (SBITAs); (b) improving the comparability of financial statements among governments that have entered into SBITAs; and (c) enhancing the understandability, reliability, relevance, and consistency of information about SBITAs. The requirements of this Statement are effective for fiscal years beginning after June 15, 2022. The Corporation has not yet determined effect on its financial position, results of operations, or cash flows upon adoption.

Note 3. Cash and Cash Equivalents

The Corporation's cash and cash equivalents balance of \$65,259,905 and \$34,239,823 as of December 31, 2019 and 2018, respectively, are maintained in cash, demand accounts, escrow, and money market mutual funds. The accounts that comprise this balance are described below:

	December 31, 2019	December 31, 2018
Demand deposit accounts	\$ 63,081,093	\$ 21,710,207
Cash on hand	83,750	800,413
Money market	1,877,435	11,013,305
Restricted cash	217,627	715,898
Total	<u>\$ 65,259,905</u>	<u>\$ 34,239,823</u>

The demand deposit accounts are either fully collateralized by the depository institution primarily in direct obligations of the U.S. government or its agencies, or insured by the Federal Deposit Insurance Corporation except for \$4,056,000. The money market account is the sweep balance of one of the demand deposit accounts. It is held with a mutual fund managed by Bank of America and invests primarily in direct obligations of the U.S. government or its agencies and is uninsured. The Corporation's restricted cash is held in a third-party managed deposit accounts and is restricted as to its use under one of its leasing agreements (See Note 9).

Note 4. Equity in Pooled Investments

Short-term Equity in Pooled Investments—As of December 31, 2019 and 2018, the Corporation's pooled investments included \$48,828,831 and \$30,840,237, respectively, invested in the Texas Short-Term Asset Reserve Program (TexSTAR). TexSTAR was created in April 2003, under the Interlocal Cooperation Act of the State of Texas Article 4413 (32C), Vernon's Texas Civil Statutes, as amended. It is administered by First Southwest Asset Management, Inc., and JPMorgan Chase. The TexSTAR investment pools' investments are not evidenced by securities that exist in physical or book entry form and, accordingly, do not have custodial risk.

As with all the investment pools, funds are readily available to support daily cash requirements, while maintaining yields slightly higher than standard bank deposit accounts.

Houston First Corporation
(A Component Unit of the City of Houston, Texas)

Note to Financial Statements

Note 4. Equity in Pooled Investments (Continued)

Equity in Pooled Investments—Restricted—The City issued bonds in 2001, 2011, 2012, 2014, 2015, 2017 and 2019, a portion of which was for the benefit of the Corporation to fund construction, interest, and operating expenses incurred during the construction of the Hotel, the Convention District Projects, and the Development and Funding Agreement discussed in Note 6. Certain proceeds were designated as debt service reserve funds to be used by the Corporation to service the debt during the initial months of the Hotel's operations and during periods of decreased operational liquidity. In addition, the Corporation makes monthly payments to the City to fund the semiannual bond payments made by the City. These funds are designated as debt service funds. All above-referenced funds are held in the City's investment pools. The balance of such accounts at December 31, 2019 and 2018 totaled \$22,946,277 and \$18,645,229, respectively.

The City of Houston Investment Pool consists of U.S. Treasury Notes, Agency Notes, Municipal Bonds, Certificates of Deposits, Money Market Funds, and Mortgaged Backed Securities. Certain investment of the Corporation are commingled in this pool to gain operational efficiency. The City of Houston included the required risk disclosures for its Internal Investment Pool as part of the City's Comprehensive Annual Financial Report which is available on the City's website.

As of December 31, 2019, and 2018, the Corporation's exposure to interest rate risk as measured by the segmented time distribution by investment type is summarized below:

December 31, 2019	Fair Value	Investment Maturities in Years	
		Less than 1	1–5
TexSTAR	48,828,831	48,828,831	-
Total investment pools	\$ 48,828,831	\$ 48,828,831	\$ -

December 31, 2018	Fair Value	Investment Maturities in Years	
		Less than 1	1–5
TexSTAR	30,840,237	30,840,237	-
Total investment pools	\$ 30,840,237	\$ 30,840,237	\$ -

Houston First Corporation
(A Component Unit of the City of Houston, Texas)

Note to Financial Statements

Note 4. Equity in Pooled Investments (Continued)

The Corporation's exposure to credit risk at December 31, 2019 and 2018 is presented below by investment category as rated by Standard & Poor's:

	December 31, 2019	
	Fair Value	Rating
TexSTAR	<u>48,828,831</u>	AAAm by Standard & Poor's
Total investment pools	<u><u>\$ 48,828,831</u></u>	
	December 31, 2018	
	Fair Value	Rating
TexSTAR	<u>30,840,237</u>	AAAm by Standard & Poor's
Total investment pools	<u><u>\$ 30,840,237</u></u>	

Fair Value Measurements—The Corporation is required to disclose the fair value level of its investments within the fair value hierarchy established by GASB Statement No. 72. In the fair value hierarchy, there are three levels:

1. Level one: inputs that are quoted prices (unadjusted) for identical assets or liabilities in active markets that a government can access at the measurement date
2. Level two: inputs (other than quoted prices included within level one) that are observable for an asset or liability, either directly or indirectly
3. Level three: unobservable inputs for an asset or liability

The Corporation invests in both the City's general pool and TexSTAR investment pool.

The City general pool investment is a Level 2 investment. Debt securities classified in Level 2 of the fair value hierarchy are valued using a matrix pricing technique provided by third party custodians. Matrix pricing is used to value securities based on the securities' relationship to benchmark quoted prices.

TexSTAR is measured at net asset value. Under this method, fixed income securities are valued each day by independent or affiliated commercial pricing services or third-party broker-dealers. When sufficient market activity exists, the pricing services or broker-dealers may utilize a market-based approach through which quotes from market makers are used to determine fair value. In instances where sufficient market activity may not exist or is limited, the broker-dealers or pricing services also utilize proprietary valuation models which may consider market transactions in comparable securities and the various relationships between securities in determining value and/or market characteristics such as benchmark yield curves, option adjusted spreads, credit spreads, estimated default rates, coupon-rates, anticipated timing of principal repayments, underlying collateral, and other unique security features in order to estimate the relevant cash flows, which are then discounted to calculate the fair values.

Houston First Corporation
(A Component Unit of the City of Houston, Texas)

Note to Financial Statements

Note 5. Deposits Held by Others

As discussed in Note 8, the Corporation closed a \$125,000,000 mortgage loan with VALIC, (Variable Annuity Life Insurance Company), which is secured by a deed of trust on the Hilton, its parking garage, the improvements located thereon, and certain personal property. In consideration of the Mortgage Loan, VALIC required the Corporation to fund certain reserves to be held with their agent. The reserves represent the subordinated management fee and the deferred fee from hotel operator, as discussed in Note 9, and a reserve for furniture, fixtures, and equipment replacement and renewal. As more fully described in Note 9, the termination of the former Hotel Management Agreement in 2014 caused a corresponding release of the subordinated management fee reserves. As of December 31, 2019 and 2018, the deposits held by others included in the statements of net position totaled \$8,696,116, and \$8,551,389, respectively.

Note 6. Notes Receivable and Due From Affiliate

Development and Funding Agreement—On April 9, 2013, the Corporation entered into a Development and Funding Agreement with the Houston Center Hotel, LLC (Hotel Owner), for the development of an approximately 1,000-room new hotel facility located on the north end of the Convention Center. The Development & Funding Agreement called for the Corporation to purchase and convey the hotel site land to the Hotel Owner and, subject to certain benchmarks, loan \$27 million to the Hotel Owner. The purchase price of the hotel site land and other closing cost totaled \$32,153,221. The Hotel Owner was obligated to a) design, construct, operate, and maintain the hotel facility and b) reimburse the Corporation annually for the hotel site land and the loan commencing on January 5th of the year following opening of the hotel facility.

The total receivable from the Hotel Owner to the Corporation was \$58,386,102 and \$58,636,102 as of December 31, 2019 and 2018, respectively, with \$250,000 reported in current other assets in the balance sheets. The Note does not bear interest.

	<u>\$ 446,495,000</u>	<u>\$ 135,851,591</u>	<u>\$ 582,346,591</u>

On April 3, 2013, the Corporation closed a \$125,000,000 mortgage loan with VALIC, which is secured by a deed of trust on the Hilton, its parking garage, the improvements located thereon, and certain personal property. The proceeds were used to further economic development in and around the Convention Center and the Hilton, including a new 1,000-room convention center hotel, and to fund the Convention District Projects including a new 1,900-space parking garage, and certain other residential and retail opportunities to be located on the north end of the Convention Center. The initial loan advance of \$50,000,000 was funded on April 4, 2013, at an initial interest rate of 3.9%. In March 2014, an additional \$30,000,000 was drawn and bears interest at 4.78%. In July 2014, the final draw of \$45,000,000 was funded and bears interest at 4.81%. The interest rates are effective through maturity.

In August 2014, the City issued \$73,725,000 of Convention & Entertainment Facilities Department HOT and Special Revenue Refunding Bonds, Series 2014. This issue included \$52,195,000 of Serial Bonds with stated interest rates between 2% and 5% maturing in various amounts from 2015 to 2032, and \$21,530,000 of Term Bonds with stated interest rates of 5% maturing in various amounts from 2033 to 2039. The true interest cost was 4%. Proceeds were used to (a) refund the City's Outstanding Convention & Entertainment Facilities Department Hotel Occupancy Tax and Special Revenue Refunding Bonds, Series 2012, (b) finance certain project costs, and (c) pay the costs of issuance of the bonds. Net present value savings totaled \$4.6 million or 11% of the refunded bonds.

On March 19, 2015, the City issued \$132,590,000 of Convention & Entertainment Facilities Department HOT and Special Revenue Refunding Bonds, Series 2015. This issue included \$99,620,000 Serial Bonds with stated interest rates between 2.0% and 5.0% maturing in various amounts from 2015 to 2035, and \$32,970,000 of Term Bonds with stated interest rates between 4.0% and 5.0% maturing in various amounts from 2035 to 2044. The true interest cost was 3.3%. Proceeds were used to (a) refund a portion of the City's outstanding Convention & Entertainment Facilities Department HOT and Special Revenue Refunding Bonds, Series 2011, (b) refund outstanding commercial paper, (c) finance certain project costs, and (d) pay the costs of issuance of the bonds. Of the \$132,590,000, the City loaned the Corporation \$99,620,000. Net present value savings totaled \$9.2 million or 13.1% of the refunded bonds.

Houston First Corporation
(A Component Unit of the City of Houston, Texas)

Note to Financial Statements

Note 8. Notes Payable (Continued)

On November 16, 2017, the City issued \$12,030,000 of Convention & Entertainment Facilities Department HOT and Special Revenue Refunding Bonds, Series 2017. This issue has a stated interest rates of 2.55% maturing in 2033. Proceeds were used to refund the City's outstanding Convention & Entertainment Facilities Department HOT and Special Revenue Refunding Bonds, Series 2011B. Net present value savings totaled \$1.9 million or 16.50% of the refunded bonds.

On November 16, 2017, the City issued \$75,000,000 of Convention & Entertainment Facilities Subordinate Lien HOT and Parking Revenue Flexible Rate Notes, Series A (Credit Facility Series A). As of December 31, 2019, and 2018, the outstanding balance was \$32,000,000 and \$75,000,000, respectively. The taxable variable rate is equal to 100% LIBOR+1.08%. The tax-exempt variable rate is equal to 65.01% LIBOR+0.69%. The commitment fee is equal to 0.2%.

On April 9, 2019, the City issued \$106,320,000 of Convention & Entertainment Facilities Department HOT and Special Revenue and Refunding Bonds, Series 2019. This issue has a stated interest rates of 4% and 5% maturing in 2036. Proceeds were used to (a) refund the City's outstanding Convention & Entertainment Facilities Department HOT and Special Revenue Refunding Bonds, Series 2001 C-1 and 2001 C-2, (b) finance certain Hurricane Harvey related project costs, and (c) pay the costs of issuance of the bonds. Net present value savings totaled \$5.6 million or 8% of the refunded bonds.

On May 2, 2019, the City closed on a \$50 million Subordinate Lien Hotel Occupancy Tax and Parking Revenue Flexible Rate Notes, Series B (Credit Facility Series B). As of December 31, 2019 there were no draws on this note and the entire amount is available. Interest is variable at the greater of JP Morgan prime or the adjusted one month LIBOR rate plus a spread based upon the rating of the existing senior lien Hotel Occupancy Tax and Parking Revenue Bonds. The commitment fee is equal to 0.1% and the notes terminate on May 2, 2026.

On May 3, 2019, the City loaned the Corporation \$12,500,000, which was used to help finance project costs related to Hurricane Harvey. The notes bear interest at the rate equal to a) the rate of the City's commercial paper program or other debt instrument issued by the City, or b) the rate equal to the interest earned on pool cash depending on how the City funds the notes. The interest rate on the note was 2.134% on December 31, 2019, and the note matures on September 1, 2030.

On December 12, 2019 the City loaned the Corporation an additional \$8,900,000, to finance project costs related to Hurricane Harvey. Interest will accrue based on the rate received on the City's commercial paper series E line, which was 1.30% at December 31, 2019. The note matures on March 1, 2024.

Of the total \$321,495,000 notes payable to City, \$268,095,000 of the principal balance relates to the City's fixed-rate bonds and carries interest rates ranging from 1.50% to 5.25%; \$32,000,000 related to the flexible rate notes and the remaining \$21,400,000 relates to the notes from the City. Interest presented on the above payment schedule is calculated on the stated interest rate on the fixed-rate bonds and the interest rate on the variable-rate notes as of December 31, 2019.

Houston First Corporation
(A Component Unit of the City of Houston, Texas)

Note to Financial Statements

Note 9. Commitments and Contingencies

Hotel Management Agreement—The Corporation entered into a hotel management agreement (the Management Agreement) on March 21, 2001, with the Hilton Hotels Corporation (the Hotel Operator). The Management Agreement had a term of 15 years and commenced with the opening of the Hotel.

On October 1, 2014, the Corporation executed a Management Agreement Termination Agreement (the Termination Agreement) to terminate the Management Agreement described above and executed a new Management Agreement (the New Management Agreement) with the Hotel Operator for the Hilton, with an effective date of January 1, 2014. In connection with the Termination Agreement, the Hotel Operator released the Corporation from repayment of the unamortized inducement fee from the original agreement, and the Corporation disbursed the accrued subordinated management fee. The New Management Agreement is effective for 15 years and, consistent with the original Management Agreement, the New Management Agreement provides for a base management fee of \$1,900,000 and a subordinated management fee of \$850,000 (collectively referred to as the Management Fees). The Management Fees adjust annually based on the percentage change in the competitive set's prior 12-month revenue per available room with the base fee to commence adjustment effective January 1, 2015 and the subordinate fee to commence adjustment effective January 1, 2017. The subordinate fee is also subject to sufficient operating cash flows (as defined) and any unpaid subordinated fees will accrue. Upon termination of the New Management Agreement, any unpaid subordinated fees will be due and payable.

Lease Commitments—The Corporation is the lessor and sub-lessor of office space and retail space under various rental agreements that qualify as non-cancelable operating leases. The Partnership Tower is an office building that serves as the headquarters of the Corporation, with 43% of the building leased to other tenants. The building has a total cost of \$42,178,371, accumulated depreciation of \$3,235,713, and a carrying value of \$38,942,658. In addition, 0.64% of the Hotel is leased to a retail tenant operating as a restaurant. The Hotel building has a total cost of \$243,690,687, accumulated depreciation of \$100,334,302, and a carrying value of \$143,356,385. The sub-lease agreements relate to assets that are leased from the City and are more fully described in Note 1. Future annual minimum rental income on all non-cancelable operating leases with a remaining term in excess of one year as of December 31, 2019 is as follows:

	Operating Leases
Years Ending December 31:	
2020	\$ 3,148,512
2021	3,085,176
2022	3,124,578
2023	3,143,988
2024 and thereafter	31,768,634
	<u>\$ 44,270,888</u>

Certain rent concessions were granted in accordance with the aforementioned leases. Such concessions were capitalized and are being amortized on a straight-line basis over the lease terms. As of December 31, 2019, and 2018, the unamortized balance of rent concessions included in other assets—net was \$8,615,448 and \$8,874,844, respectively.

Houston First Corporation
(A Component Unit of the City of Houston, Texas)

Note to Financial Statements

Note 9. Commitments and Contingencies (Continued)

For the years ended December 31, 2019 and 2018, the amortization expense included in Venue revenues was \$669,687 and \$425,457, respectively. Certain retail leases include contingent income that is earned when a percentage of the tenant's sales are higher than the minimum rent amount. Contingent income included in other operating revenues is \$121,036 and \$118,817 for the years ended December 31, 2019 and 2018, respectively.

Hurricane Harvey—Under the Consolidation Interlocal Agreement, the Corporation is responsible for rebuilding and repairing the leased facilities in the event of a damage from casualty. As such, the Corporation selected a project manager in December of 2017, a designer, and a construction manager at risk in the first quarter of 2018 to fulfill this commitment. The majority of these costs may be reimbursed by the City based on approval of claims and obligation of such funds by FEMA.

Pension—Since March 2015 the City has been involved in a lawsuit with the Houston Municipal Employees Pension System (HMEPS) the subject of which is the determination of whether employees of certain local government corporations and not-for-profit entities are employees of the City for purposes of the pension. If HMEPS prevails, the City may be subject to additional funding requirements which could result in those costs being passed on to the Corporation, the amount of which cannot be determined at this time. The City has appealed and intends to continue to vigorously defend this litigation.

Hilton Room Refresh—The Corporation has undertaken a project to refresh the rooms at the Hilton Americas-Houston. Each of the 1,237 rooms are being updated to include substantial redesign of the bathrooms and improvements to amenities. At December 31, 2019, the project was approximately 50% complete with a remaining obligation of approximately \$16,555,000.

Guarantee—Every three years, the World Petroleum Council (Council) organizes the World Petroleum Congress as the principal meeting place for a global discussion of oil and gas issues. Following a twelve month campaign period, the City of Houston was selected by its fellow Council members to host the 23rd World Petroleum Congress in December 2020. The WPC Organizing Committee (the "Organizing Committee") was established as a 501(c)(6) nonprofit corporation to assist with the organization, administration, management, promotion, and operations relating to hosting the event. To induce the Council to execute the agreement with the Organizing Committee, the Corporation agreed to guarantee the full payment and performance of all liabilities, obligations, and duties imposed upon the Organizing Committee. As of December 31, 2019 or 2018 there has been no call on the guarantee. The Corporation is unable to estimate the potential liability, if any.

Note 10. Risk Management

As the owner of the Hotel operated as the Hilton, and as a local government corporation, the Corporation maintains, or has maintained on its behalf, various policies, and/or insurance programs to cover the various risks of loss to which it is exposed. Through commercial policies, the following coverages have been secured: property, general liability, umbrella liability, auto, and theft. In lieu of a workers' compensation policy, the Hilton has procured a nonsubscriber program administered by a third-party administrator. Due to the division of responsibilities, the Corporation maintains separate policies for directors and officers, employment practices liability, crime, and property.

The Corporation is a defendant in various pending lawsuits arising out of the conduct of its business. Management does not believe that the outcome of any of these matters will have a material adverse effect on the Corporation's financial position, results of operations, or cash flows.

Note 11. Convention Services Agreements

The Corporation has agreements with various hotels to rebate their HOT. The purpose of these agreements is to encourage the development of hotels in the City's central business district, promote local economic development, and stimulate business and commercial. These agreements vary based on the hotel's proximity to the George R. Brown Convention Center and other criteria determined by the Corporation, and require a room block agreement. The room block agreement grants the Corporation access to a specified number of room nights for use with city wide events.

The agreement with Hampton Inn Homewood Suites requires that 100% of their HOT paid will be paid back to them. The hotel has agreed to provide HFC with room blocks for various events in exchange for the agreement. The agreement with Embassy Suites expired on February 1, 2018, and was not renewed. The agreement with and Hampton Inn Homewood Suites is valid until April 1, 2022.

The agreements with JW Marriott, Aloft Houston Downtown, LeMeridian, and Alessandra state that 50% of their HOT paid will be paid back to them. The agreements with JW Marriot, Aloft Houston Downtown, LeMeridian, and Alessandra will expire on September 1, 2021, December 1, 2023, October 1, 2032, and October 1, 2024, respectively. All hotels have agreed to provide HFC with room blocks for various events in exchange for this agreement.

The Corporation paid the following under the aforementioned agreements. Such amounts are included in venue expenses for the years ended December 31, 2019 and 2018.

	December 31,	December 31,
	2019	2018
Embassy Suites	\$ 112,153	\$ 845,177
JW Marriott	735,785	765,427
Hampton Inn Homewood Suites	866,546	789,333
Aloft Houston	212,530	205,330
Alessandra	221,530	23,993
LeMeridian	303,050	76,484
Total	\$ 2,451,594	\$ 2,705,744

Note 12. Hurricane Harvey

During the third quarter of 2017, several properties managed by the Corporation on the City's behalf experienced flood-related damage as a result of Hurricane Harvey and its aftermath. The Corporation carries comprehensive property, casualty, flood, and business interruption insurance through the City. The Corporation incurred approximately \$0.3 million and \$7.5 millions of noncapital expenses during the years ended December 31, 2019 and 2018, respectively. For the period ending December 31, 2019, and 2018, the Corporation received from the City \$82,456,557 and \$14,385,065 insurance and FEMA proceeds for the damages respectively, which are included in transfers from Primary Government in the Statement of Revenues, Expenses, and Changes in Net Position. Insurance proceeds received are reflected as revenue in the period such proceeds are received.

Note 12. Hurricane Harvey (Continued)

The following list reflects the properties damaged as a result of Hurricane Harvey:

- Theater District Garages—located in downtown Houston, Texas
- Wortham Theater—located in downtown Houston, Texas
- Jones Hall—located in downtown Houston, Texas

Wortham Theater was closed and reopened in September 2018.

Note 13. Subsequent Events

Notes Payable—On January 16, 2020, the Corporation paid off \$32,000,000 of outstanding Credit Facility Series A. On March 18, 2020 the Corporation drew \$20,000,000 from Credit Facility Series A.

On May 1, 2020, the Corporation renewed the \$125,000,000 mortgage loan with VALIC, which has extended maturity date of May 1, 2021.

COVID 19—On January 31, 2020, the Secretary of the United States Health and Human Services Department declared a public health emergency for the United States and on March 13, 2020, the President of the United States declared the outbreak of COVID-19 in the United States a national emergency. As a result of the pandemic and the various restrictions and guidelines related to controlling its spread, numerous event organizers and arts groups have cancelled or postponed revenue-producing events and productions in Corporation managed facilities for practically all of 2020. This has a material impact on the revenues available to pay debt service and operate the Corporation's managed facilities.

In response to the projected reduction in most sources of revenue, and the significantly reduced use of the managed facilities, the Corporation's Board of Directors adopted an emergency budget for the remainder of calendar year 2020. The reduced expenditure budget recognizes a period of limited activity in all facilities managed by the Corporation and reduces virtually all allowed expenditures except for debt service. Personnel service contract expense reductions have been implemented and include both layoffs (48 individuals) and furloughs (34 individuals), as well as personnel service contract expense reductions of remaining personnel.

In addition to the Credit Facility Series A and B, the City, as the parent organization of HFC, has offered financial assistance in the amount of \$48 million to allow continued operation until conditions in the travel and hospitality sectors improve. Approximately \$16 million of this assistance has been received as of date of this report.

The calendar year 2021 budget is being drafted for board consideration in November of 2020 and will include flexibility to anticipate rapid changes in revenues and expenses designed to allow the Corporation to anticipate a slow return to pre-pandemic levels.

The measures noted above, combined with existing reserves will ensure the Corporation has adequate funds to service debt, and maintain the facilities for 2020 and 2021.
